Sensational Shape Sacks

Fill new Shape Sacks with treasures that you find inside and outdoors. Store nature items or other found objects that match the shape of the month in this fun little bag.

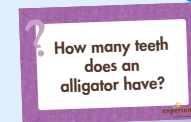

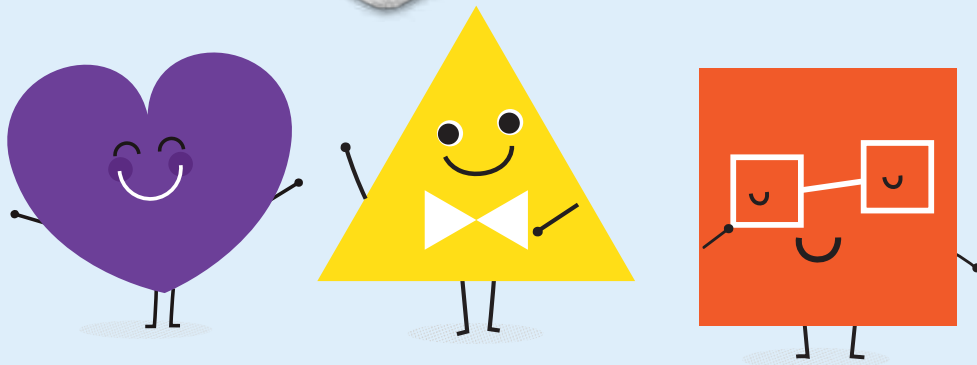

Collect all 9 Shape Sacks throughout the year! A new sack every month.

STEAM stations enhance your interest areas every month so that your environment stays inspiring. Nurture open-ended curiosity and creativity!

Twenty new STEAM ideas each month!

Literacy Tools

I Spy Letters

Enjoy three featured I Spy Letter Games each month for your children to look, find and color.

LOOK

FIND

COLOR

Loose Parts Literacy

Build a deeper understanding of letters and phonics. Now in color!

Loose Parts Literacy invites children to build letters until they can write letters on their own. Your children will learn letters in the order of straight line letters then curved line letters and finally diagonal line letters.

A large letter 'E' formed by three straight lines: a vertical line on the left and two horizontal lines at the top and bottom.

STRAIGHT LINE LETTERS

A large letter 'h' formed by a vertical line and a curved line at the bottom.

CURVED LINE LETTERS

A large letter 'X' formed by two diagonal lines crossing each other.

DIAGONAL LINE LETTERS

Imagine Storytime

Every month receive a book that has a matching puzzle and magnetic story pieces.

LITERACY

Fill a bookshelf with 36 titles throughout the year!

NEW! HARDCOVER BOOK INCLUDED!

DRAMATIC PLAY

INVITATION TO CREATE

WRITER'S WORKSHOP

Meaningful Mathematics

Experience math through play. New manipulatives, number cards and counting games every month.

MATHEMATICS & REASONING

Weeks of Wonder

Four weeks of wonder for each theme!

All of these exciting new tools are conveniently packed in twenty discovery bags. Each week includes a Teacher Guide to help you make the most of these materials and your time with children.

Let us Grow with You

Experience Early Learning from birth through age 5.

Experience Preschool Curriculum

3 - 5 YEARS

Experience Toddler Curriculum

18 MONTHS -
3 YEARS

Experience Baby Curriculum

BIRTH - 18 MONTHS

Nurture warm connections through a curriculum that supports responsive care and integrates learning through natural play experiences.

Be confident your children learn key readiness skills. Experience Curriculum System is research-based, consistent with NAEYC curriculum standards and aligned to Head Start Criteria.

Weave 35 research-based skills into playful games, music, art, STEAM and storytelling.

Flexible, hands-on learning invites children to dance with Toddler Tunes, discover loose parts play, color, collage and create sticker art.

Assessment and child portfolios

Track your child's learning progress each week with embedded assessment that is linked to activities in your lesson plans. Keep a record in the provided assessment forms or digitally in an app.

*Binders not included.

Professional Development

New training options in 2022-23 include weekly live virtual training to help you maximize the benefit of your curriculum program. Plus on-demand trainings in English and Spanish are available on Experiencetraining.org to cover a range of early learning, health and safety topics and provide credit hour certificates.

Curriculum Benefits

Research-
based
and State
Aligned
Curriculum

Save Time

Planning and prep made quick and easy.
Spend more time building relationships with your children and less time on paperwork and prep.

Inspire Curiosity

Discover over 100 new activities each month.
Ignite imaginations with an overflowing toolkit of open-ended projects, sensory materials and playful activities.

Enjoy Smoother Days

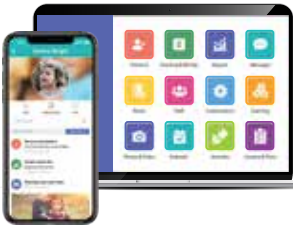

Find a rhythm and flow to your day.
Enjoy a flexible routine while engaging children in singing, making art, reading books and investigating new ideas.

Teach Empathy

Nurture compassion, respect and relationships.
Support children to reflect on their feelings, make positive choices and help others in kindness.
