

# EXPERIENCE CURRICULUM

**Experience Curriculum** provides early childhood educators with a nationally recognized, research-based system that includes theme-based, state-aligned lessons and materials delivered to you monthly. Spend less time planning and more time inspiring a love of learning for all children ages birth through 5.

**Experience Preschool** is a hands-on learning system inspiring growth in all developmental areas, including social-emotional, physical, language and cognitive development.

## Each monthly theme includes:

- 20 daily lessons with pre-packaged materials organized by the day
- 3 exclusive books with storytelling magnets
- Focus core concepts including-color, shape, letters, and numbers
- Daily math experiences with hands-on manipulatives
- Social & Emotional Learning integrated into daily experiences
- Embedded authentic assessment with progress monitoring tools
- Family engagement materials and resources
- Circle Time materials
- Daily art and STEAM exploration

**Experience Toddler** supports each child's individual natural growth and development through responsive care and sensory learning experiences. Monthly materials are designed to inspire hands-on investigation of new concepts and build vocabulary.

## Each monthly theme includes:

- 20 daily lessons with pre-packaged materials organized by the week
- 4 exclusive storybooks
- Daily literacy, math, movement and art experiences
- Weekly open-ended center ideas
- Family engagement materials and resources
- Embedded authentic assessment with progress monitoring tools
- Core concepts including color, shape, letters and a number
- Circle Time materials

**Experience Baby** is an infant curriculum that supports relationship-based play and discovery. Each kit includes materials to help your child develop foundational skills.

## Each monthly theme includes:

- 36 relationship-based play activities with monthly planning calendar
- 9 types of play
- Multi-level activities to meet every child's needs
- Book, CD, and props
- Embedded authentic assessment with progress monitoring tools
- Family engagement journal to communicate about care and development

**Experience Curriculum** engages children in playful activities that stimulate and support the development of 35 foundational skills within 7 domains. Each activity helps teachers create individualized experiences and challenges for constant learning at any developmental level.

Customize your curriculum with products designed for children's unique interests, ages, goals and values.

## More Math & More Literacy

Challenge advanced learners with daily activities that reinforce independent math and literacy skills.

Ages 4-5 1/2

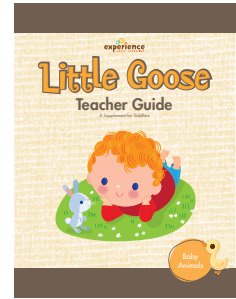

## Little Goose Guide\*

Simplify the Experience Preschool Curriculum activities for toddlers. Best used in multi-age groups.

Ages 18mo-2

\*Available as a supplement for Experience Preschool only.
